Lieutenant Governor Henderson,

Upon feedback from the sponsors of the Utahns for Fair Elections Initiative, the Office of the Legislative Fiscal Analyst followed up with respondents and wish to correct the timing of the fiscal estimate. The revised statement is below.

The Office of the Legislative Fiscal Analyst estimates enactment of this initiative could cost the Lieutenant Governor's Office \$657,500 one-time from the General Fund in the first election year in which the proposed legislation is enacted for voter education and outreach and software, as well as \$7,500 from the General Fund in each subsequent election year for software. The Office also estimates a cost to counties in aggregate of \$1,739,600 one-time during the first election year in which the proposed legislation is enacted and \$1,638,400 in each subsequent election year for printing, adjudication, signature verification, software, and voter outreach.

If you have any questions regarding this estimate, please contact my office.

Sincerely,

Jonathan Ball
Legislative Fiscal Analyst
